

GOVERNMENT OF TELANGANA
ABSTRACT

Mines & Minerals - Establishment of Integrated Steel Plant in Khammam District, Telangana
State - Constitution of Committee of Officers - Orders - Issued.

INDUSTRIES AND COMMERCE (M.II) DEPARTMENT

G.O.Rt.No. 89

Dated: 18-06-2018

ORDER:

Khammam District in Telangana State is extremely well suited for the location of an Integrated Steel Plant. Best grade of Iron Ore is located in close proximity in the State of Chhattisgarh. Low grade Iron Ore available within the State can also be utilized for steel manufacturing through beneficiation. Coal deposits are available in plenty under M/s.Singareni Collieries Company Limited and required coking grade Coal can also be imported from the nearest port and dry port. Sufficient Government land, water, power, trained and motivated work force is further available for the Integrated Steel Plant.

2. Further, Telangana Government has brought an Industrial Policy which is rated as the best in the country. For mega projects, the State Government offers an attractive customized package of incentives.

3. M/s.Singareni Collieries Company Limited and M/s.Telangana State Mineral Development Corporation Limited are two Corporations that have a very impressive track record in mining based activities. Both the Corporations are considered among the best performers in the country. The Telangana Government wishes to examine if M/s.Singareni Collieries Company Limited and M/s.Telangana State Mineral Development Corporation Limited can come forward to jointly establish an Integrated Steel Plant in Khammam District.

4. Accordingly, the Government hereby constitute the following Committee to go into the details of the subject:

- | | |
|--|------------|
| (i) Special Chief Secretary, Energy Department | : Chairman |
| (ii) Principal Secretary & CIP, Ind. & Comm. Dept. | : Convener |
| (iii) C&MD, Singareni Collieries Company Limited | : Member |
| (iv) VC&MD, Telangana State Mineral Development Corporation Ltd. | : Member |
| (v) Director of Mines & Geology, Hyderabad | : Member |

5. The Committee should invite officials and experts from National Mineral Development Corporation Limited (NMDC), MECON and Rail Vikas Nigam Limited during the deliberations.

6. The Committee should identify various options related to the following:

- (a) Location of proposed Integrated Steel Plant as well as beneficiation plant.
- (b) Source of Iron Ore.
- (c) Transportation options of Iron Ore.
- (d) Coal Linkage
- (e) Source of other raw materials like Limestone, Dolomite, Coking grade Coal etc.
- (f) Port and dry port requirements for import.
- (g) Water and power source
- (h) Concessions and incentives for making the project viable.
- (i) Design of Integrated Steel Plant and beneficiation plant.
- (j) Estimated investment and source of funds.
- (k) Employment potential.
- (l) Nature of Special Purpose Vehicle (SPV) to be created.

7. The Committee should meet as frequently as possible and positively submit report to the Government within one month time.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
